

## RECOMMENDATION FORM 2018

### Instruction for the applicant

Please pass this form on to a professor you have asked to write a letter of recommendation for you. The letter should be sent by the professor directly to the DIW Berlin Graduate Center.

### Note to the professor

The above candidate is applying for admission to the DIW Berlin Graduate Center (see [www.diw.de/gc](http://www.diw.de/gc)). We kindly ask you to complete this evaluation form and write a short recommendation to help us assess the applicant's ability to successfully participate in our 4-year PhD program in Economics.

The DIW Berlin Graduate Center is a training program for postgraduates of economics and related social sciences seeking to qualify in both scientific research and profound policy advice. The GC leads them to a deep understanding of economic and social processes and offers them the opportunity to apply their knowledge within the professional research environment in one of the leading economic think tanks in Germany. The program follows a dual training approach. It offers advanced coursework during the first year, and on-the-job training within research projects of the DIW Berlin in years 2-4.

We hope that the guidelines of the form will minimize time and effort required to complete the recommendation. You may answer in English or German. We thank you for your help.

Please send your recommendation **before March 21, 2018** to

Graduate Center, Applications Officer  
DIW Berlin
