CV:

Prof. Michael Fritsch has received his academic degrees in economics (Diplom- Volkswirt 1977, Ph.D. 1982, Habilitation 1989) from the Technical University of Berlin. Since 1992 he is Professor of Economics at the Technical University of Freiberg and holds the Chair for Economic Policy there. Prof. Fritsch is Managing Director (together with Frieder Meyer-Krahmer) of the Forschungsstelle Innovationsökonomik (Research Unit Innovation Economics), a joint research institution of the Fraunhofer Institute für Systems and Innovation Research (ISI) and the Technical University of Freiberg (since 1995). Currently he also acts as Chairman of the Section Regionaltheorie und -politik (Regional Economics) of the Verein für Socialpolitik (German Economic Association) and as a coordinator of the six year Schwerpunktprogramm (priority programme) of the Deutsche Forschungsgemeinschaft (German Science Foundation) Interdisziplinäre Gründungsforschung (Interdisciplinary Research on New Firm Formation).

Main fields of research

- Markets and market failure
- New firm formation processes and their impact on economic development
- Innovation systems and innovation behavior
- Regional development strategies.
