Living in Germany
Survey 2002
on the social situation
of households

Household question form

This questionnaire booklet is directed towards the household as a whole and not towards individuals in the household. The questionnaire should be filled out by the same person in the household who did it last year, if possible.

Your cooperation is voluntary. The scientific meaningfulness of this investigation, however, depends on the cooperation of all persons in all households.

Therefore, we ask that:

– You allow our representative to carry out this interview; or

– You carefully fill out the questionnaire booklet yourself.

Before handing in please enter in accordance with the address log:

The questionnaire has been filled out by:

If you check off "yes" for this question then you should go to the next question.
If you check off "no" for this question, then proceed directly to the question indicated.

€

This questionnaire about life in Germany today has been switched to the new currency for when it deals with financial questions.
We would therefore ask you to provide all DM amounts in EURO.
Our "EURO-converter" may be of use to you.
It is also sufficient if you simply divide all DM amounts by 2.
(1,000 DM = ca. 500 EURO, exactly: 511 EURO).
