22. April 2014: Discussion of seminar topics

19. and 20. June 2014: Presentation and discussion of seminar papers.

In this seminar, the participants shall prepare and present a seminar paper. The participants choose a topic that fits to the seminar title, which means that it shall deal with the European crisis. Recommendable are topics, which analyze economic policy decisions (especially the monetary policy of the ECB) as well as the functioning of the financial markets or the contagion effects of the crisis. The paper can be empirical or theoretical and shall orientate towards the academic literature in this field. To allow an intensive dialogue among the students, the seminar is organized in block classes. Many topics are closely related to each other.
