# Questionnaire

## Catch-up Questionnaire

### Dear Participant,

Our study aims above all at depicting the changes that occur in personal and professional contexts over the course of people's lives. To achieve this goal, we need complete information on some aspects of life, without any gaps.

This short supplementary questionnaire is only intended for people who did not take part in the 2020 survey. Please help us fill in the gaps that occurred as a result of missing this year.

Thank you very much!

Your participation is voluntary, but the scientific relevance of this study depends crucially on the participation of every member of every household.

We therefore cordially request that you either  
– allow our staff member to interview you or  
– carefully fill out this questionnaire yourself.

If you change your mind and decide that you want to select the answer that you just crossed out, you will need to clearly cross out the second mistake and then make a circle around the box you had crossed out first.

*Example:*

Yes  ~~☒~~  
No  ~~☒~~

When filling out the questionnaire, please pay attention to the instructions for each question:

*Example:*
