SOEP 2020 - 14th International

German Socio-Economic Panel User Conference

Berlin, July 9-10, 2020

SOEP 2020 at DIW Berlin

The 14th International German Socio-Economic Panel User Conference (SOEP2020) will be held in **Berlin** on **July 9-10, 2020** at **DIW Berlin**.

The conference provides researchers who use the SOEP (including the SOEP part of the Cross-National Equivalent File (CNEF) and LIS/LWS data) with the opportunity to present and discuss their work with their peers. Researchers of **all disciplines** (e.g., economics, demography, geography, political science, public health, psychology, and sociology) are invited to submit an abstract.

We particularly welcome contributions examining **income and wealth inequalities** and **how these inequalities are subjectively perceived**, experienced, interpreted, and reacted to. We also encourage submissions outside of this thematic focus, in particular submissions using the **longitudinal features** of SOEP as well as papers on **survey methodology** and **cross national comparative analysis**.

Selected conference papers will be published in a special Issue of **Social Indicators Research** (edited by Philipp Lersch, Stefan Liebig, Maria Metzing, and Carsten Schröder). All submissions will undergo the standard refereeing procedure of the journal.
