

## Invitation

### Second Workshop of the Network for the Economic Analysis of Terrorism (NEAT):

#### ***“The Economic Analysis of Terrorism: The Current State of Research and its Policy Relevance”***

This network connects a group of leading European economists working on terrorism and security. The network advances our understanding of the links between security and economics and thus lays the economic foundations for the development of a European security policy. The topics of the second workshop will include: discussions on the economic, financial, human, and societal aspects of terrorism, as well as the causes of, effects of, and responses to terrorism.

Date: Monday, September 22, 2008

Time: 9:00-18:45

Location: Marivaux Hotel Congress & Seminar Centre Brussels, Boulevard Adolphe Max 98, 1000 Brussels, Belgium (See attached map)

To register, please either complete and fax the form below or send an email with the requested information to John Holmes. Registration will close on Wednesday, 20 August. There is no registration fee for this event; however, space is limited, so please register early.
